

## **Paper title**

**Author A, Author B, and Author C**  
**Centre for Ultra-high-bandwidth Devices for Optical Systems**  
**Department, University**

**Phone:**

**Fax:**

**E-Mail: (corresponding author)**

*Abstract – Limit abstract to four lines, use italic Times 12 point font.*

### **Summary:**

Total submission, including title, affiliations, figures and references, is restricted to a single page, with the summary to comprise a minimum of 200 words. You are encouraged to provide as much information as possible to help people understand your work.

When citing references in the text follow the format [1-3, 4].

For authors not preparing their manuscript in MS Word using this template, please adhere to the following guidelines and general layout.

- Use 1 inch margins all around.
- Use a Times 12 point font, for everything but the title (Times 14 pt), Figure captions (Times 11pt) and references (Times 10 pt).
- Set the Abstract in italics and all front matter in bold.

You are encouraged to use figures where appropriate; include all images within the document in the appropriate size/place. Please also attach the image files separately.

Figure captions should be in the following format: Fig. 1. Figure caption/description (Font = Times 11pt).

### **References**

(Font = Times 10pt)

1. A. Author, A.A. Author, and B. Author, "*title*," Journal Name **Vol**, Page/Article #, (year).
